

CITY OF PLEASANT HILL

PRESS RELEASE

EVENT: Shop with the Cops

DATE: December 22nd, 2015

LOCATION: Pleasant Hill Target

On December 22nd, 2015, the Pleasant Hill Police Department participated in our first ever *Shop with the Cops* Event. This event brought together Pleasant Hill Police Department officers and dispatchers with local residents at the Pleasant Hill Target for a Christmas Shopping spree. We were fortunate enough to shop with approximately 20 local families. The event was meant to further build and maintain relationships between the Pleasant Hill Police Department and the community we serve.

We were able to hold this event due a generous donation from an anonymous local resident who wanted to give back to the community through the Pleasant Hill Police Department. Target also contributed significantly to the event by providing personnel and financial contributions.
